CHARLOTTETOWN, PRINCE EDWARD ISLAND

## COMPLETION DATE

September 2007

## VALUE OF CONTRACT

\$12,700,000.00

## OWNER

Charlottetown Harbour Authority Inc.

## CONSULTANT

O'Halloran Campbell  
Contact: Mike Martell  
Halifax, Nova Scotia

**BEAVER MARINE**  
LIMITED

## Project Description

### DESCRIPTION

A 200m extension to the existing multiuser facility. The new concrete crib extension will allow visiting cruise ships to tie-up alongside.

### EQUIPMENT

William Dilly – Spud Barge  
Beaver Spartan – Spud Barge  
Beaver Neptune – Submersible Barge  
Oshawa – Workboat  
Linkbelt 518 – Crane  
NW190 Crane

### INSTALLATION METHOD

The wharf structure consists of 5 concrete cribs with 2 SSP walls making the transition to the existing structure. The cribs were placed on a prepared bottom, backfilled, CIP copewall and asphalt deck. Fendering, lighting and services are also included.
